⚠️ WARNING: PHOTOSensitivity/Epilepsy/seizures

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. IMMEDIATELY DISCONTINUE use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- eye or muscle twitches
- altered vision
- loss of awareness
- disorientation
- seizures
- any involuntary movement
- any involuntary movement
- any involuntary movement
- any involuntary movement

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
- Avoid large screen televisions. Use the smallest television screen available.
- Avoid prolonged use of the PlayStation®3 system. Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

NOTICE:

Use caution when using the DUALSHOCK®3 wireless controller motion sensor function. When using the DUALSHOCK®3 wireless controller motion sensor function, be cautious of the following points. If the controller hits a person or object, this may cause accidental injury or damage. Before using, check that there is plenty of space around you. When using the controller, grip it firmly to make sure it cannot slip out of your hand. If using a controller that is connected to the PS3™ system with a USB cable, make sure there is enough space for the cable so that the cable will not hit a person or object. Also, take care to avoid pulling the cable out of the PS3™ system while using the controller.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PS3™ system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PS3™ FORMAT DISC:

- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

Main Menu
Choose between the Story, Special Ops and Multiplayer Call of Duty®: Modern Warfare® 3 experience, as well as view your completion percentages for each mode.

Campaign
Pick up where Call of Duty®: Modern Warfare® 2 ended and continue the single player experience in the Call of Duty: Modern Warfare 3 campaign. From the Story menu you can resume your most recent campaign or start a new one. You may also use the Mission Select option to replay an already completed mission at any difficulty.

Note: Modern Warfare® 3 uses an automatic checkpoint save system to save your game progress. You may also choose to use the Save and Quit option from the in-game Pause menu.

Special Ops
Experience co-op Special Ops play with another player locally in Split-Screen or remotely online. Use the find match option to link up with a player online or through private match to link up with a friend. Choose the solo option to test your skills on your own.

Missions
Take on a variety of custom-designed challenging missions in Special Ops Missions mode. You can also use this menu to revisit any unlocked Special Ops missions and attempt to complete it on one of three difficulties.

Survival
Survive countless waves of enemies on Multiplayer maps, utilizing available resources to climb the Special Ops ranks. Revisit maps to break your previous wave record.

Multiplayer
Compete with other Modern Warfare 3 players online and locally in a variety of maps and game modes in Multiplayer (MP). Unlock new weapons, attachments, perks and rank up in MP!
1. **Stance Indicator** – Indicates whether you are standing, crouching or prone.
2. **Inventory** – Displays devices and/or weapon attachments that are currently available.
3. **Grenade Indicator** – Icon warning you that there is a grenade nearby, arrow indicates the location of the grenade.
4. **Damage Indicator** – Red marker shows that you are taking damage and the direction the damage is coming from. (See Health System, on page 6)
5. **Use Icon** – This only appears when you are near a weapon or interactive object, indicates what button to press to interact with the weapon or object.
6. **Ammo Count** – Shows remaining bullets for currently equipped weapon, as well as remaining grenade supplies.
7. **Match Info** – Displays current score, team icon and time remaining in match. (MP Only)
8. **Mini-Map** – Shows map of local area plus locations of friendlies and known hostiles.
9. **Crosshair** – Indicates where you are currently pointing your weapon. Turns red when positioned over an enemy, green when positioned over a friendly.Walking or running causes the crosshair to grow wider or sometimes disappear altogether, indicating a loss of accuracy. Stopping movement, crouching and going prone increase accuracy.∗
10. **Pointstreak Inventory** – Indicates how many points you need to acquire the next Pointstreak. Any acquired Pointstreak can be used in the Pointstreak Inventory by pressing up or down on the D-Pad to cycle through them and pressing right on the D-Pad to equip the item.

∗Note: When you press the ADS button, you will aim down the sights or scope of your weapon. This will greatly increase your accuracy and decrease your movement speed. While in ADS the crosshair will disappear.
HEALTH SYSTEM
When you take damage from enemy fire, blood splatter will appear and the damage indicator will show you the direction the fire is coming from. If you can find cover and avoid enemy fire you will eventually recover and be able to continue at full strength.

PAUSE/OBJECTIVES SCREEN
Press the [START] button any time in Campaign or Special Ops to pause the game and access this menu. From here you may access game Options (described below), restart the current level, revert to your last checkpoint, lower the difficulty of the game if the mission is too hard, or save and quit to the Main Menu.

MULTIPLAYER OBJECTIVES SCREEN
Modern Warfare®3 cannot be paused while playing in MP mode. Pressing [START] in MP will bring up a menu that will allow you to choose a new class (taking effect on your next spawn), view the description of your current game mode, and access the Options menu. Keep in mind that the MP match is still active in the background when you are in this screen.

OPTIONS
You may access the Options menu from the main menus or in-game via the Pause/Objectives Screen and MP Objectives Screen. In this menu you can choose different control schemes, or adjust various game settings such as control sensitivity or look inversion.

STATS
In the Story and Special Ops main menus you may access the Stats option to view statistics for each mode, such as play time and completion percentage. In Multiplayer various statistics are available via the Barracks section.

All rights not specifically granted under this Agreement are reserved by Activision. This Program is licensed, not sold. This Program is protected by the copyright laws of the United States, international copyright treaties and conventions and other laws. This Program contains certain licensed materials and Activision’s licensors may protect their rights in the event of any violation of this Agreement.

YOU SHALL NOT:

• Exploit this Program or any of its parts commercially, including but not limited to use at a cyber cafe, computer gaming center or any other location-based site. Activision may offer a separate Site License Agreement to permit you to make this Program available for commercial use; see the contact information below.

LIMITED SOFTWARE WARRANTY. Activision warrants to the original consumer purchaser of this Program that the recording medium on which the Program is recorded will be free from defects in material and workmanship for 90 days from the date of purchase. If the purchaser finds the recorded medium of the Program defective within 90 days of original purchase, Activision agrees to replace, free of charge, such recorded medium of the Program discovered to be defective within such period upon its receipt of the recorded medium of the Program, as long as the Program is still being manufactured by Activision. In the event that the Program is no longer available, Activision retains the right to substitute a similar product of equal or greater value. This warranty is limited to the recording medium of the Program as originally provided by Activision and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, mistreatment or neglect. This remedy is the purchaser’s sole, exclusive remedy, and is in lieu of all other express warranties. Any implied warranties on this product prescribed by statute, including but not limited to an implied warranty of merchantability or fitness for a particular purpose, are expressly limited in duration to the 90-day period described above. LIMITATION ON DAMAGES. IN NO EVENT WILL ACTIVISION BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THE PROGRAM, INCLUDING DAMAGES TO PROPERTY, LOSS OF GOODWILL, COMPUTER FAILURE OR MALFUNCTION AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURIES, EVEN IF ACTIVISION HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME STATES/COUNTRIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES. SO THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION.

INJUNCTION. Because Activision would be irreparably damaged if the terms of this Agreement were not specifically enforced, you agree that Activision shall be entitled, without bond, other security or proof of damages, to appropriate equitable remedies with respect to breaches of this Agreement, in addition to such other remedies as Activision may otherwise have under applicable laws.

INDEMNITY. You agree to indemnify, defend and hold Activision, its partners, affiliates, contractors, officers, directors, employees and agents harmless from all damages, losses and expenses arising directly or indirectly from your acts and omissions to act in using the Product pursuant to the terms of this Agreement.

MISCELLANEOUS. This Agreement represents the complete agreement concerning this license between the parties and supersedes all prior agreements and representations between them. It may be amended only by a writing executed by both parties. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and the remaining provisions of this Agreement shall not be affected. This Agreement shall be construed under California law as such law is applied to agreements between California residents entered into and to be performed within California, except as governed by federal law and you consent to the exclusive jurisdiction of the state and federal courts in Los Angeles, California.
