1. INTRODUCTION

- 1.1. **Purpose.** Activision Publishing, Inc. and its affiliates (collectively, “**Activision**”) created World Series of Warzone™ (“**WSOW**”) to showcase some of the best Call of Duty®: Warzone™ (the “**Game**”) players in the world in a series of tournament events featuring the Game, including (a) a series of tournaments officially sanctioned by Activision as WSOW open qualifiers (the “**WSOW In-Game Open**”), (b) certain tournaments officially sanctioned by Activision as WSOW qualifiers (“**WSOW Qualifiers**”), (c) official WSOW regional finals tournaments (the “**WSOW Finals**”), and (d) official regional solo WSOW events (the “**#SoloYolo Events**”, and together with the WSOW In-Game Open, the WSOW Qualifiers, and the WSOW Finals, each a “**Tournament**”) and collectively, the “**Tournaments**”). These World Series of Warzone Official Rules, including any updates, amendments or supplements thereto (these “**Rules**”), ensure the integrity of all Tournaments, protect the image and reputation of WSOW and the Franchise, and create a consistent and high-quality experience for spectators of the Tournaments and related events. These Rules apply to individuals who are actively participating in the Tournaments or who plan to participate in any current or future events related to WSOW (each, a “**Participant**”). These Rules set forth the rules and standards of conduct that will apply as a condition to participation in any Tournament, including, among others, player eligibility, prize awards, and player conduct. These Rules also contain limitations of liability, license grants, and other legally binding contractual terms that affect each Participant’s rights and obligations.
- 1.2. EACH PARTICIPANT IS REQUIRED TO READ, UNDERSTAND, AND AGREE TO THESE RULES AND ANY OTHER APPLICABLE TOURNAMENT RULES PRIOR TO, AND AS A CONDITION TO, PARTICIPATING IN A TOURNAMENT. THESE RULES FORM A CONTRACT BETWEEN EACH PARTICIPANT, ON THE ONE HAND, AND ACTIVISION PUBLISHING, INC. (THE “**ADMINISTRATION**”), ON THE OTHER HAND.
- 1.3. THESE RULES AND ALL DISPUTES RELATED TO OR ARISING OUT OF YOUR PARTICIPATION IN A TOURNAMENT ARE GOVERNED BY A BINDING ARBITRATION CLAUSE AND A WAIVER OF CLASS ACTION RIGHTS IN SECTION 12 AS WELL AS LIMITATIONS OF LIABILITY AND RELEASE PROVISIONS IN SECTION 10. THESE CLAUSES AFFECT YOUR LEGAL RIGHTS AND REMEDIES, AND YOU SHOULD REVIEW THEM CAREFULLY BEFORE ACCEPTING THESE RULES.
- 1.4. If any provision of these Rules is or becomes illegal, invalid, or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other

provision of these Rules or the validity or enforceability in other jurisdictions of any other provision of these Rules.

- 1.5. Violation of these Rules or any other applicable rules may subject a Participant to discipline, including, but not limited to Match forfeitures, prize forfeitures, fines, disqualification or removal from current and future WSOW competitions (including the Tournaments) or other Activision events and legal claims, at the Administration's sole discretion and as further described herein.
- 1.6. **Acceptance.** Participants may accept these Tournament Rules by any of the following methods:
 - (a) By signing a WSOW Participation Form either in print or digitally;
 - (b) By registration or other participant sign-up method, including in connection with the applicable Tournament platform, e.g., GameBattles;
 - (c) or participating in any Tournament or other officially sanctioned Match that is part of WSOW; and
 - (d) such other method as may be prescribed by these Rules.
- 1.7. **Changes to and Enforcement of these Rules.** The field of esports competitions is still relatively new and changing rapidly, and these Rules will evolve in real time to keep pace with those changes. Accordingly, in its sole discretion, Administration (a) may update, amend or supplement these Rules from time to time; and (b) may interpret or apply these Rules by releasing bulletins, notices, explanatory videos, online postings, e-mail and/or other electronic communications that provide instructions and guidance to Participants. Administration reserves the right to make any decisions on cases not specifically covered by these Rules to preserve the spirit of fair competition and sportsmanship. Administration's authority, responsibility, obligations and consent rights as expressed herein will be exercised in Administration's sole discretion. Any material changes to these Rules will be provided to the Participants prior to the next Tournament to which the changed Rules will apply. Participation in WSOW will constitute acceptance of the changed Rules. Changes to Section 12 will be governed by the provisions in that section.
- 1.8. **Applicability of these Rules.** The Tournaments may have additional rules that apply. Those rules will be published on the Call of Duty World Series of Warzone website or otherwise

made available to Participants before the applicable Tournament, which Participant must accept before entering such Tournament. In the event of a conflict between such other Tournament rules and these Rules, unless expressly stated otherwise herein, these Rules shall govern. These Rules are in addition to Activision's Terms of Use, Privacy Policy and all rules governing the use of Activision accounts. The current version of each policy is available at:

- (a) Terms of Use: <https://www.activision.com/legal/terms-of-use>
- (b) Privacy Policy: <https://www.activision.com/legal/privacy-policy>

1.9. **Additional Authority.** The Administration's authority, responsibility, obligations, and consent rights may be exercised in its sole discretion and to the maximum extent permitted by applicable law, and the Administration's exercise of its sole discretion will not be subject to any requirement of reasonableness, good faith or fair dealing, except as otherwise explicitly stated in the relevant provision of these Rules. The Administration reserves the right to exercise necessary authority, without limitation, to protect the interests of the Call of Duty® video game franchise, including without limitation the Game (collectively, "**Franchise**"), any person or entity who is associated with Franchise or Administration to provide products or services for WSOW, any authorized person or entity to create and/or publish media for any reason at any time during WSOW, and any person who is present at an event related to WSOW. All decisions made by Administration are final.

Participants are responsible for ensuring that their participation in the Tournament complies with all laws of the jurisdiction(s) in which they are a resident and any region in which such Participants are competing, and Participants shall take all steps necessary to ensure such compliance, including obtaining any necessary visa or other governmental authorization required for your participation in WSOW. - (b) any name in violation of Section 7.1 (Behavior).

3. TOURNAMENT STRUCTURE.

3.1. **Tournament Game Modes.** Each Tournament match (each, a “**Match**”) will feature a maximum of 120 Participants divided into “**Squads**” as determined by the game mode for such Tournament. Participants in the WSOW In-Game Open, WSOW Qualifiers, and WSOW Finals will compete on the Caldera map in the “**Trios**” game mode Matches in three-Participant Squads, each of which will be led by a “**Captain**” who will be responsible for fielding additional Participants for their Squad prior to each such Tournament. Participants in the #SoloYolo Events will compete on the Caldera map in the “**Solos**” game mode in individual, one-Participant Squads. The Administration reserves sole discretion to alter the game modes used for any Tournament or Match at any time.

3.2. **WSOW Points.**

(a) **Scoring.** Participants in WSOW will accrue World Series of Warzone Points (“**WSOW Points**”) in each WSOW Match in accordance with the below. Administration reserves sole discretion to modify WSOW Point distribution and introduce new point systems at any time. Administration will provide Participants with notice of any changes to the distribution of WSOW Points prior to the start of the next impacted Tournament.

(i) **Kills:** A Participant will receive one (1) WSOW Point for every elimination made by such Participants during each Match (each, a “**Kill**”). For the avoidance of doubt, Kills earned in the Gulag count towards a Participant’s Kill count total. The in-Game Kill count shall be the official scorekeeping mechanism for purposes of calculating WSOW Points.

(ii) **Placement Multiplier:** Placement Multipliers are applied to a Participant’s Kill count based on the final ranking of such Participant’s Squad at the end of each Match. Below is the application of multipliers based on final placement:

Match Placement Multiplier	
1st Place	2x Multiplier
2nd – 15th Place	1.5x Multiplier
16th – 40th Place	No Multiplier

- (iii) **Forfeited WSOW Points.** WSOW Points totals for Participants who are unable to compete due to equipment failure or other technical issues not related to providing a gameplay feed will continue to be counted towards the Squad total. Participants who are removed from a WSOW Tournament due to violating Sections 4.4 and 9 hereof or End User License Agreement will have their WSOW Points revoked and removed from their Squad's WSOW Points total.
- (iv) **#SoloYolo Events.** No WSOW Points will be awarded to Participants in the #SoloYolo Events based on their performance in their #SoloYolo Event.

3.3. WSOW In-Game Open.

- (a) **Participant Pool.** WSOW In-Game Open Matches will be open for participation by Participants in each Region.
- (b) **Format.** The WSOW In-Game Open Matches will be held via an in-Game tournament playlist titled "WSOW BR Trios". While a Participant may participate in an unlimited number of WSOW-In Game Open Matches, only the top ten (10) scoring WSOW-In Game Open Matches played by each Participant will be considered for purposes of their Squad's advancement to the WSOW Qualifier.
- (c) **Schedule.** The WSOW-In Game Open will be available in-game between August 12th, 2022, 9:00 AM PT and August 15th, 2022, 9:00 AM PT.
- (d) **Squad Roster Lock.** Participants may alter the composition of their Squads until 6:00 PM PST on August 15th, 2022. Following this time, Participants are not permitted to modify the composition of their Squad for the remainder of the Tournament without the express consent of the Administration.
- (e) **Advancement.** Participants must register their Squad on GameBattles to be eligible to qualify for the WSOW Qualifier. The forty (40) Squads in each Region whose respective Participants accrue the highest number of WSOW Points in their Region (measured by the top ten (10) scoring WSOW In-Game Open Matches played by each Participant) and who have registered their Squad on GameBattles will be eligible to be invited to participate in their Region's WSOW Qualifier at the sole discretion of the Administration. For clarity, a Squad's

success in the WSOW-In Game Open does not automatically entitle such Squad and their Participants to compete in their Region's WSOW Qualifier.

3.4. WSOW Qualifiers.

- (a) **Participant Pool.** WSOW Qualifier matches will be open for participation by Participants in each Region who have advanced from the respective regional WSOW In-Game Open.
- (b) **Format.** Each WSOW Qualifier will be held online through GameBattles. All one hundred twenty (120) Participants advancing from their Region's WSOW In-Game Open will compete in forty (40) Squads. These Squads shall play a total for five (5) Matches. The twenty (20) Squads in each Region who have accrued the most WSOW Points shall advance to the WSOW Final of their respective Region.
- (c) **Schedule.**
 - (i) WSOW EU Qualifier – **August 20, 2022, 9:00 AM PT**
 - (ii) WSOW NA Qualifier – **August 21, 2022, 12:00 PM PT**
- (d) **Advancement.** The twenty (20) Squads advancing from their Region's WSOW Qualifier will be eligible to be invited to participate in their Region's WSOW Finals event at the sole discretion of the Administration. For clarity, a Squad's success in the WSOW Qualifier does not automatically entitle such Squad and their Participants to compete in the WSOW Finals.

3.5. WSOW Finals.

- (a) **Finals Participant Pool.** The Participant pool for each Region's WSOW Finals will consist of:
 - (i) the twenty (20) winning Squads advancing from that Region's WSOW Qualifiers; and
 - (ii) the twenty (20) additional Squads invited to participate in that Region's WSOW Finals by the Administration. The final composition of Participants and Squads in each Region's WSOW Finals shall be determined by the Administration in its sole discretion.

- (b) **Format.** Each Region’s WSOW Finals shall be comprised of five (5) Matches played in a custom lobby administrated and hosted by the Administration. Upon completion of all Matches in a Region’s WSOW Finals, the Squad with the largest number of WSOW Points aggregated across all WSOW Finals Matches in that Region will be the overall winner of that Region’s WSOW Finals.
- (c) **Schedule.**
 - (i) Europe Region WSOW Finals – **September 6, 2022, 9:00 AM PT**
 - (ii) North America Region WSOW Finals – **September 7, 2022, 12:00 PM PT**

3.6. **#SoloYolo Events.**

- (a) **Participant Pool.** Each Participant who has qualified for their Region’s WSOW Finals will be eligible to participate in their Region’s #SoloYolo Event.
- (b) **Format.** All 120 eligible Participants will compete in a single “Solos” game mode Match. The Participant who receives the highest overall placement in that Match will win their Region’s #SoloYolo Event.
- (c) **Schedule.** Each Region’s #SoloYolo Event will take place immediately following the conclusion of that Region’s WSOW Final.
 - (i) Europe Region #SoloYolo Event – **September 6, 2022**
 - (ii) North America Region #SoloYolo Event – **September 7, 2022**

4. COMPETITIVE RULES AND GAME SETTINGS

4.1. **Game.** The featured title for each Tournament will be the Game.

4.2. **Game Settings.** The mode and settings for each Tournament shall be standard Battle Royale for the game mode unless otherwise communicated by the Administration. The Administration reserves the right to make certain modifications to the circle collapse and other gameplay modifiers at its sole discretion and will communicate any changes to the gameplay settings to Participants prior to each Tournament. The latest competitive settings for each Tournament event can be found here: <http://www.worldseriesofwarzone.com>.

- 4.3. **Platform.** All Tournament matches must be played on PlayStation 4 (excluding PlayStation 4 Slim), PlayStation 5, Xbox One, Xbox Series X|S, or Windows PC. Participants will be required to have an account for their corresponding platform and an Activision account to connect to online services and compete. Cross-play is required.
- 4.4. **Equipment.** Participants may compete using mouse and keyboard or any PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, or Window PC-compatible controller. Participants shall not use a turbo controller that allows a single button press to replicate pressing the button multiple times. Participants shall not use a button macro controller or keyboard utilizing macro inputs that allow a single button press to performing a set of actions that would normally require the Participant to press multiple buttons or keys. Squads found to be using ineligible equipment will be required to forfeit all rights to any points and prizing earned or otherwise awarded during the Tournament and will be removed immediately from the Tournament. For the avoidance of doubt, if a Participant who is part of a Squad is found to be using ineligible equipment, all Participants on the Squad will be removed from the Tournament and will be required to forfeit all points and prizing. The Administration reserves the right to inspect and review Participant equipment to ensure compliance with these Rules.
- 4.5. **Referees.** Each Match will be regulated by referees selected by the Administration. Referees are Tournament officials responsible for making judgments on every Match-related issue, question and/or situation which occurs before, during and immediately following a Match. Their oversight includes, but is not limited to:
- (a) Checking Squads before a Match to ensure each Participant is on the appropriate Squad;
 - (b) Checking and monitoring Participant broadcasts;
 - (c) Escalating penalties in response to rule violations during each Match;
 - (d) Communicating gameplay and Participant equipment issues to the Administration.
- 4.6. **Warm-Up.** No warm-up or practice games are permitted once the Match's first game has begun. If a Match is played before the scheduled time, it will not be considered a warm-up and will count as the official results.

- 4.7. **Delays.** Squads shall not delay the start of a game or match beyond its scheduled start time without the approval of an Administration official.
- 4.8. **Lag.** If lag occurs, the Match should be completed. Leaving the game prior to completion of the Match may result in a forfeit by the Squad of all WSOW Points and prizing in respect of such Match.
- 4.9. **Normal Boundaries.** Participants who move their character outside of the normal boundaries of a map may forfeit the game. Moving outside of the normal boundaries of a map includes but is not limited to part of the character's body passing through what should be a non-permeable surface or object and moving into any area from which a Participants' character registers shots on an opponent who is not able to register shots on the Participants' character.
- 4.10. **Game Altering Bugs.** "Bugs" are errors, flaws, or failures that produce an incorrect, unexpected, or unintended result during gameplay. For the purposes of procedure regarding the occurrence of Bugs during live gameplay, and at the discretion of the Administration, Bugs are separated into two categories.
- (a) **Minor Bug.** At the discretion of the Administration, a Minor Bug is one that does not significantly alter the outcome of a Match and is, at worst, considered an inconvenience to Participants. The occurrence of a Minor Bug would not result in the replay or remake of any Match and Participants should be instructed to play through the Bug.
 - (b) **Major Bug.** At the discretion of the Administration, a Major Bug is one that critically or significantly alters the outcome of a Match and severely hinders the performance of multiple Squads and/or Participants. The occurrence of a Major Bug would result in a restart as set forth in Section 4.13.
- 4.11. **Replacement Participants.** If at any time any Participant is deemed ineligible to compete in the Tournament for any reason as determined by Administration in its sole discretion, such Participant may be replaced by another eligible Participant (such Participant, a "Replacement Participant") at the Administration's sole discretion, including pursuant to selection by the affected Squad's Captain from a waitlist of eligible Participants as may be provided by the Administration. For the avoidance of doubt, Participants on any such waitlist will not be eligible to receive prizing in a Tournament unless and until such Participant is

selected pursuant to this Section and fully competes in the Tournament during a Tournament Match.

- 4.12. **Replacement Squad.** If at any time any Squad is deemed ineligible to compete in the Tournament for any reason as determined by Administration in its sole discretion, such Squad may be replaced by another eligible Squad (such Squad, a “**Replacement Squad**”) at the Administration’s sole discretion, including pursuant to selection by the Administration from a waitlist of eligible Squads. For the avoidance of doubt, Squads on any such waitlist will not be eligible to receive prizing in a Tournament unless and until such Replacement Squad is selected pursuant to this Section and fully competes in the Tournament during a Tournament Match.
- 4.13. **Match Restarts.** Participants are fully responsible for ensuring their internet connectivity, peripherals, and PC or console are fully functional before each Match. Generally, the Administration will not restart a Match due to a Participant experiencing lag or personal equipment malfunctions. Once all Participants have left the pre-game lobby and transitioned to the airdrop ship and Game map, the Match will be considered underway and will not be restarted. In certain extraordinary circumstances (e.g., in the event Participants experience a mass disconnect that affects multiple Squads in the early stages of a Match, or an issue is determined to have altered the outcome of a Match) the Administration, at its sole discretion, shall have the right to restart the Match.
- 4.14. **Tiebreakers.** In the event of any tie of WSOW Points between two or more Squads at the conclusion of a Tournament, the Tournament will not be replayed. The results will stand, and ties will be resolved using the following tie breaker mechanisms (in order). If the tie breakers fail to resolve a clear winner, the Administration reserves sole discretion to resolve the tie pursuant to any other method.
- (a) **Squad Tiebreakers:**
- (i) First, the Squad with the higher number of total Kills across all Matches of such Tournament without the inclusion of any Placement Multipliers will prevail.
 - (ii) Second, the Squad with the highest number of Kills in a single Match of the Tournament will prevail.

- (iii) Finally, the Squad with the highest placement in a single Match of the Tournament will prevail.

5. BROADCAST AND EVENT REQUIREMENTS

- 5.1. **WSOW Player Handbook.** All Participants in the Tournaments are required to comply with the guidelines and requirements contained in WSOW Player Handbook to be made available to each Participant prior to each Tournament, including streaming, technical, Game settings, Discord, and other guidelines and requirements.
- 5.2. **Broadcast.** All Participants must record their participation in each Match of each Tournament they participate in and, upon request by the Administration, submit a video recording of their participation to the Administration for broadcast and competitive integrity purposes. Participants who are unable to provide a clean video feed to the Administration upon request will be ineligible from competing in any Tournament. All Participants must livestream their participation in each Match of the WSOW Qualifiers, WSOW Finals, and #SoloYolo Event they participate in on at least one of the platforms listed in Section 5.3. Participants and/or Squads whose streamed gameplay becomes unavailable during a WSOW Qualifiers, WSOW Finals, or #SoloYolo Event Match may be further subject to penalty, discipline, or other sanctions at the Administrations sole discretion.
- 5.3. **Platform.** Participants in each WSOW Qualifiers, WSOW Finals and #SoloYolo Events Match shall broadcast their gameplay on YouTube, Twitch, or Facebook.
- 5.4. **Audio.** Unless a Participant is a Captain, an undistorted audio feed is preferred but not required. Participants shall refrain from playing music or using music streaming services while broadcasting.
- 5.5. **Feed.** Participants may be required to implement a stream delay to their broadcast feed; details on delay timing will be provided by the Administration ahead of each Tournament.
- 5.6. **Squad Branding.**
 - (a) Squad branding shall not include, without limitation:
 - (i) the name, word mark, service mark, moniker, symbol, or other identifier relating to any third-party intellectual property, including sponsors, commercial products, or Call of Duty League or Call of Duty Challengers teams, except as may be expressly permitted by the Administration.

- (ii) any city or other geographic designation, except as may be expressly permitted by the Administration; and
 - (iii) any elements in violation of Section 7.1 (Behavior).
- (b) All proposed official Squad apparel for Tournaments must be submitted to Administration at least two (2) weeks before it is intended to be shown on broadcast or appear at a live event. While a Participant is visible to the Tournament’s live and camera audience(s), Participants shall not wear, display, or otherwise convey personal messages without express approval from the Administration, which approval shall not be granted for political messages.
- (c) **[Squads may feature Captain-based branding only and further subject to Section 6.6.1 and 6.6.1.]**

6. SPONSORSHIP RESTRICTIONS

- 6.1. Subject to the terms and conditions of these Rules, Squads and Participants may acquire individual sponsorships in connection with their participation in a Tournament. Squads shall not engage in joint negotiations or otherwise cooperate or coordinate with other Squads in the marketing or negotiation of sponsorships. Administration reserves the right to restrict sponsor involvement in WSOW activities, including requiring Participants to, among others, cover, obscure or replace articles of clothing or overlays that display sponsor assets in violation of this Section 6, and all sponsorships used in connection with WSOW activities are subject to the prior approval of the Administration. Squads and Participants may inquire as to whether a sponsor is permissible by contacting Administration at wsow@activision.com.
- 6.2. Squads and Participants are prohibited from using any Call of Duty or WSOW live or on-demand stream; WSOW match highlights, game clips or other footage; Franchise game images, game-related logos, artwork, animations; or other protected intellectual property owned or controlled by Activision or its affiliates (collectively, “**Game Materials**”) in connection with any third-party sponsorships, advertising, promotions, or marketing.
- 6.3. The Administration reserves the right to have WSOW-wide exclusive sponsorships on a global basis or specific to a region or territory. The Administration may from time-to-time designate certain product or service categories as “reserved” whereby Squads and Participants will not be permitted to feature sponsorships in such “reserved” categories in

connection with their participation in WSOW. The categories of goods and services set forth below are reserved for Activision and the Administration for WSOW. For each of the categories, the description of items that are included and specific brand examples are non-exhaustive. If a Squads or Participant has questions regarding the scope of a given category the Squads or Participant should contact Administration before entering into a potentially conflicting agreement.

- (a) Video game platforms. This category includes gaming consoles such as Sony PlayStation and Microsoft Xbox, as well as PC-based gaming platforms such as HP Omen and Alienware Steam Machine and other dedicated video game platforms.
- (b) Beer, wine, cider, and other malt beverages. This category includes alcoholic beverages sold by beverage brands such as Anheuser Busch, Coors and Gallo.

6.4. The following sponsor categories shall in no event be featured, displayed, or otherwise promoted by any Participant in connection with WSOW:

- (a) Any person or entity that offers products or services that Activision determines are detrimental to the business of Activision or any of its affiliates (including without limitation the Franchise, Call of Duty League, Call of Duty Challengers, WSOW, or Call of Duty: Mobile) or that give one player an unfair advantage over another player, including hacking, gold selling services, account sellers and key sellers.
- (b) Games or other products or services from entities that compete directly with Activision or any of its affiliates.
- (c) Account selling, sharing or trading websites.
- (d) Drugs (whether legal or illegal) and any products used to consume drugs.

7. CONDUCT AND PENALTIES

7.1. Behavior.

- (a) All Participants must at all times observe the highest standards of personal integrity and good sportsmanship and act in a manner consistent with the best interests of WSOW, in each case as determined by Administration. Participants are required to behave in a professional and sportsmanlike manner in their interactions with other Participants, Squads, members of the Administration, the media, sponsors and fans.
- (b) Participants shall not use obscene or offensive gestures or profanity in their tags, player handles, Squad branding, game chat, live play communications, lobby chat, shoulder content, interviews, or other public-facing communications of any kind. This rule applies to English and all other languages and includes abbreviations and/or obscure references.
- (c) Participants are expected to settle their differences in a respectful manner and without resort to violence, threats, or intimidation (physical or non-physical). Violence is never permitted at any time or place, or against any person, including Participants, fans, referees and officials.
- (d) The obligation to behave in a professional and sportsmanlike manner includes an obligation on the part of Participants to arrive on time and ready to compete for all Matches and Tournaments. It also prohibits forfeiting a Match without reasonable cause.
- (e) WSOW is a place for players from around the world, from different cultures, and from different backgrounds, to come together to compete and share their passion for our game. Participants in our competitions should be focused on bringing the world together through epic entertainment, celebrating our game, players, and fans, and building diverse and inclusive communities. Participants must refrain from disruptive or divisive behavior, commentary, or other forms of expression during official WSOW events (including without limitation any Match)

or on any official WSOW (e.g., Match broadcasts, WSOW shows, and official WSOW-branded websites and social media channels). Throughout the period on Tournament day that a Participant is visible to the Tournament's live and camera audience(s), such Participant shall not wear, display or otherwise convey personal messages without express approval from the Administration, which approval shall not be granted for political messages.

7.2. Cheating and Game Integrity.

- (a) Participants must always compete to the best of their skill and ability. Any form of cheating by any Participants will not be tolerated. All Participants are prohibited from influencing or manipulating any Match with the intent that any aspect of the Match is determined by anything other than the competitive merits. Examples of cheating or behavior impacting game integrity are not exhaustive, and include without limitation:
 - (i) Collusion, Match fixing or any other action to intentionally alter, or attempt to alter, the results of any Match or Tournament (or any components thereof);

If, however, by operation of law or otherwise, such Activision Materials or any element, portion and derivative works thereof are not deemed a "work made for hire" or for any reason do not automatically vest in Activision and/or if there are any patents, trademarks, know-how or other intellectual property rights in the works that do not automatically accrue to Activision under the preceding sentence, the Participant hereby assigns (and agrees at the time of creation to assign) to Activision and/or its designee, in each case for no additional consideration, by way of present assignment of future copyright and other intellectual property rights, all worldwide rights, title and interest, including all copyright and other patent, trademark and other intellectual property rights worldwide, in and to all Activision Materials (and in all elements, portions and derivative works thereof) and agrees to take, at the expense of Activision or its designees, any and all such other actions reasonably deemed appropriate by Activision or its designee in furtherance of such assignment, including, without limitation, the execution and delivery to Activision or its

Activision reserves all rights and remedies against any Participant who breaches this Section 11.

The place of arbitration will be Los Angeles, California. All matters relating to the arbitration, including any final award, will be considered the confidential information of the parties to the Arbitration Dispute. The parties to any Arbitration Dispute agree that they will only file with the court the portions of the award necessary to enter judgment and enforce the award and that they will make every effort to exclude confidential information from what is to be filed with the court, with any disagreements related thereto to be decided upon by the arbitrator prior to any court filing. The decision of the arbitrator will be final and binding on the parties to the Arbitration Dispute, and any award of the arbitrator may be entered in any court of competent jurisdiction. This Section 12.2 will not preclude a party to a dispute from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction in respect of Arbitration Disputes or preclude Administration from seeking and obtaining from any court of competent jurisdiction (without the need for Administration to post any bond or other security) temporary and/or preliminary injunctive relief against a Participant for any breach by the Participant of the terms of these Rules. Except as otherwise provided by these Rules or applicable law, each party to any legal action or proceeding brought against the other party will be responsible for Participant’s own attorneys’ fees, experts’ fees, court costs and all other expenses sustained during such litigation (including any appeals).

Administration; (ii) there is no right or authority for any Rules Dispute or Arbitration Dispute to be arbitrated, adjudicated, or resolved through court proceedings on a class-action, collective action, private attorney general or representative action basis (other than an action brought under the Private Attorneys General Act, California Labor Code sections 2698 et seq. (“**PAGA**”), separately addressed in Section 12.3(c) below) or to utilize class action, collective action, or non-PAGA private attorney general or representative action procedures; and (iii) the Participant will not have the right to participate as a class representative, collective action representative, or non-PAGA private attorney general, or as a member of any class, collective action, or non-PAGA private attorney general or representative action for any Rules Dispute or Arbitration Dispute. Under no circumstances does any Participant or Administration agree to class, collective, non-PAGA private attorney general or representative action procedures in arbitration or court proceedings or the joinder of claims in arbitration or court proceedings. The foregoing provisions of Section 12.3(a) and (b) are referred to as the “**Class Action Waiver**”.

- (c) By agreeing to these Rules, each Participant acknowledges and agrees that: (i) there is no right or authority for any Rules Dispute or Arbitration Dispute to be arbitrated, adjudicated, or resolved through court proceedings on a PAGA basis, or to utilize PAGA procedures; and (ii) the Participant will not have the right to participate as a private attorney general, representative, or as a member or claimant of any PAGA private attorney general or representative action for any Rules Dispute or Arbitration Dispute. Under no circumstances does the Participant or the Administration agree to PAGA private attorney general or representative action procedures in arbitration or court proceedings or the joinder of claims in arbitration or court proceedings. The foregoing provisions of this Section 12.3(c) are referred to as the “**PAGA Waiver**”.
- (d) In any case in which: (i) the Rules Dispute or Arbitration Dispute is filed or pursued as a class action, collective action, or non-PAGA private attorney general or representative action; and (ii) all or part of the Class Action Waiver is found to be unenforceable, the class action, collective action, or non-PAGA private attorney general or representative action to that extent must be litigated in a civil court of a competent jurisdiction within Los Angeles, California, but any individual claims for which the Class Action Waiver is deemed enforceable must

be litigated separately in arbitration. The Class Action Waiver will be severable in any case in which the Rules Dispute or Arbitration Dispute is filed or pursued as an individual action and severance is necessary to ensure that the individual action proceeds in arbitration.

- (e) In any case in which: (i) the Rules Dispute or Arbitration Dispute is filed or pursued as a PAGA private attorney general or representative action; and (ii) the PAGA Waiver is found to be unenforceable, then: (i) the unenforceable provision will be severed from this agreement; (ii) severance of the unenforceable provision will have no impact whatsoever on the arbitration of any remaining claims on an individual basis pursuant to Section 12.3 of these Rules; and (3) any PAGA representative or private attorney general action must be litigated in a civil court of a competent jurisdiction. To the extent there is any Rules Dispute or Arbitration Dispute to be litigated in a civil court of competent jurisdiction on a PAGA private attorney general or representative action basis because the PAGA Waiver is deemed unenforceable with respect to that Rules Dispute or Arbitration Dispute, then the parties agree that litigation of that Rule Dispute or Arbitration Dispute will be stayed pending the outcome of any individual claims in arbitration. The PAGA Waiver will be severable in any case in which the Rules Dispute or Arbitration Dispute is filed or pursued as an individual action and severance is necessary to ensure that the individual action proceeds in arbitration.

12.4. **Governing Law.**

- (a) All Rules Disputes and Arbitration Disputes will be governed by and construed under the laws of the United States of America and the law of the State of New York, without regard to choose of law principles, provided that Administration will have the right to disqualify any Participants that are rendered ineligible to participate due to local law. This selection of governing law shall supersede any prior choice of law contained in any prior version of the Rules executed by the Participant.
- (b) Participants agree to be bound by these Rules and by the decisions of Administration with respect to the disciplinary actions imposed for their violation, which are final and binding in all respects.

- (c) Administration will endeavor to provide official translations of these Rules. In the event of any conflict between the English version and any translation of these Rules, the English version will control.
- (d) **Changes to this Section.** Administration will provide 60 days' notice of any changes to this Section 12. Changes will become effective on the 60th day and will apply prospectively only to any claims arising after the 60th day.

CALL OF DUTY®: World Series of Warzone

PLAYER PARTICIPATION AGREEMENT AND ACCEPTANCE FORM

The World Series of Warzone (“WSOW”) Official Rules, WSOW Player Handbook, and the following terms and conditions (as amended from time to time, collectively, the “Official Rules”), govern the conduct of players participating in Activision Publishing, Inc.’s (“Activision”) WSOW tournaments (the “Tournaments”). You must accept the Official Rules to participate as a player in a Tournament, and you must abide by the WSOW Player Handbook in order to remain eligible to participate in a Tournament. You can accept the Official Rules by signing this Player Participation Agreement and Acceptance Form (this “Agreement”).

The Official Rules form a contract between Participants, on the one hand, and Activision and its affiliates who are engaged in operating a Tournament, on the other hand. The Official Rules contain license grants and other legally binding contractual terms. EACH PARTICIPANT IS REQUIRED TO READ, UNDERSTAND, AND AGREE TO THE OFFICIAL RULES BEFORE PARTICIPATING IN A TOURNAMENT. Notwithstanding anything to the contrary contained herein or in any other communication by Activision, Activision shall have the right in its sole and absolute discretion to determine the eligibility of all participants. Participants acknowledge and agree that their eligibility status as determined by Activision may change at any time and such determination shall be final.

THE OFFICIAL RULES AND ALL DISPUTES RELATED TO OR ARISING OUT OF YOUR PARTICIPATION IN A TOURNAMENT ARE GOVERNED BY A BINDING ARBITRATION CLAUSE AND A WAIVER OF CLASS ACTION RIGHTS IN SECTION 12 AS WELL AS LIMITATIONS OF LIABILITY AND RELEASE PROVISIONS IN SECTION 10. THESE CLAUSES AFFECT YOUR LEGAL RIGHTS AND REMEDIES, AND YOU SHOULD REVIEW THEM CAREFULLY BEFORE ACCEPTING THESE RULES.
